For Friday, March 17

ARIES (March 21 to April 19) Be very careful when dealing with issues that concern your health today.

TAURUS (April 20 to May 20) As the moon enters the house of Cancer, this is the perfect time to profess your love to someone.

GEMINI (May 21 to June 20) Today you want to have your cake and eat it, too, but it might not be possible.

CANCER (June 21 to July 22) Being assertive can help you obtain what is rightfully yours.

LEO (July 23 to Aug. 22) Your sensitive side might get bruised if you insist on showing it to everyone you encounter today.

VIRGO (Aug. 23 to Sept. 22) Spend as much time as possible around people who have a lot of energy today.

LIBRA (Sept. 23 to Oct. 22) Be careful not to overreact to a situation that really isn't a big deal.

SCORPIO (Oct. 23 to Nov. 21) Doing something out of the ordinary is just what the doctor ordered today.

SAGITTARIUS (Nov. 22 to Dec. 21) As the moon leaves the house of Cancer, this is the perfect time to share ideas and philosophies with others.

CAPRICORN (Dec. 22 to Jan. 19) Try not to be bothered by someone who is simply overreacting to the situation.

AQUARIUS (Jan. 20 to Feb. 18) It's best to focus your attention on health matters as the moon moves out of the house of Cancer today.

PISCES (Feb. 19 to March 20) Your friends and family members finally realize all of the talents you have to offer.
